

2041**NORDRIDE®**

POWER LIGHT 60W

	60 W
	5000 / 2500 Lumen
	5700 Kelvin
	CRI/Ra >80
	IP 54
	2 x 230V T12 / 1200W
	200 – 240V AC
	5m
	294 x 294 x 88mm
	3.3kg

**DE**

COB LED Hochleistungs-Arbeitsstrahler mit Kabel (5m), leuchtstarke 5000 Lumen mit gleichmässiger Ausleuchtung (Linsentechnologie), gute Farbwiedergabe (CRI/Ra >80), 2 Leuchtstärkestufen (5000 / 2500lm), bruch- und stossicheres Gehäuse, 2 x 230V Steckdosen (T12), verstellbarer Bügel für flexible Ausleuchtung

FR

Projecteur haute performance COB LED avec câble, éclairage puissant 5000 lumen et uniforme (technologie de lentille), bon rendu des couleurs (CRI/Ra > 80), 2 niveaux de luminosité (5000 / 2500lm), boîtier résistant et antichoc, 2 x 230V prises de courant (T12), support réglable pour un éclairage flexible

IT

Proiettore ad alte prestazioni COB LED con cavo, illuminazione potente 5000 lumen e uniforme (tecnologia delle lenti), buona resa dei colori (CRI/Ra > 80), 2 livelli di luminosità (5000 / 2500lm), involucro infrangibile e antiurto, 2 x 230V prese di corrente (T12), supporto regolabile per un'illuminazione flessibile

EN

COB LED high-performance work light with cable (5m), luminous 5000 lumens and uniform illumination (lens technology), good color rendering (CRI / Ra > 80), 2 luminous intensity levels (5000 / 2500lm), break and shock-proof housing, 2 x 230V sockets (T12), Adjustable bracket for flexible illumination
