|----------------------------|------------------------|-----------------|
| <b>Product description</b> | Product designation:   | PP-STRAP 12x0,7 |
|                            | Item code:             | 375.112.528.102 |
|                            | Material type:         | Polypropylene   |
|                            | Production technology: | Strand          |
|                            | Surface:               | Embossed        |
|                            | Colour:                | Black           |
|                            | Printing color:        |                 |
|                            | Printing text:         |                 |
|                            | Printing direction:    |                 |

|                         |                       |         |         |         |
|-------------------------|-----------------------|---------|---------|---------|
| <b>Strap properties</b> |                       | Minimum | Nominal | Maximum |
|                         | Width (mm):           | 11.4    | 11.7    | 12      |
|                         | Thickness (mm):       | 0.65    | 0.7     | 0.75    |
|                         | Elongation (%):       | 13.5    |         | 17      |
|                         | Break Strength (daN): | 210.9   | 222     |         |

|                      |                                 |        |
|----------------------|---------------------------------|--------|
| <b>Coils details</b> | Coil Type:                      | Std    |
|                      | Coil Inside Diameter (mm):      | 203    |
|                      | Coil Outside Diameter (mm):     | 457    |
|                      | Coil Width (mm):                | 187    |
|                      | Approx. Gross Coil Weight (kg): | 15.304 |
|                      | Meters per coil:                | 2800   |
|                      |                                 |        |

|                       |                                       |                   |
|-----------------------|---------------------------------------|-------------------|
| <b>Pallet details</b> | Package Dimensions (LxWxH):           | 1425 x 940 x 2050 |
|                       | Number of Coils per Pallet:           | 60                |
|                       | Number of coils per box:              | 2                 |
|                       | Approx. Gross Weight per Pallet (kg): | 930               |
